

The Running order for your Presentations.

Unit 4 - Creativity & Context Level 1 Chelsea

Wednesday December 5th 2012

You will all be ready in the Upper Casket by **12.55pm for a 1pm** prompt start. The Level 2 students will be presenting in the morning and you are very welcome to come and watch from 10am onwards.

The smaller room with the computers in the upper casket will be used as a 'dressing room' and the next two groups will be preparing quietly for their presentation while another is performing. When the group performing has finished you will have 5mins to set up and be ready to present.

This is the running order (*if you have said you want to go at a particular time then that is fine and let me know*), but you should all be prepared to go on next just in case of technological or costume malfunctions.
